Abilities...There's No Place Like  
Home

## Help Support & Strengthen our Vision for an Age Friendly Indiana!

The IAAAA is committed to creating an Indiana where citizens can thrive with the benefits and programming that support their lifestyle.

- \* Medicaid Waivers will be maximized and streamlined for ease of access by consumers.
- \* IAAAA will develop a plan for each AAA to provide education to employers and consumers regarding long term care insurance.
- \* IAAAA will also be an advocate to establish tax incentives to encourage individuals to use private resources.

This is merely an overview of IAAAA's vision. As an associate member you too can play a vital role in the vision to improve long term care.

## Medicare Prescription Drug Benefit Training

Seniors are at risk for becoming victims of fraud, especially healthcare fraud. Prescription drug scams, "grants" from the Social Security Administration and lottery or sweepstakes "winnings" that require a bank account number are just a few of the scams, schemes and rip-offs that target vulnerable adults.

The IAAAA offers training on how to teach seniors to be smart, empowered consumers as a benefit to associate members. There is no charge for this training. Your organization may train staff or host a training for your members or residents. The program will include how to PROTECT, DETECT and REPORT fraud. It will also include information on how to protect yourself from identity theft.

## IAAAA Education Institute

Our training programs currently serve:

- \* Case Managers
- \* Social Workers
- \* Nurses
- \* Administrative Staff
- \* Information & Assistance Staff
- \* Nutrition Staff
- \* Supervisors
- \* Caregiver Support Staff
- \* Long Term Care Ombudsmen
- \* APS Investigators
- \* And other helping professionals

Associate members are eligible to attend any open trainings.
