

How to Request

Electronic Medicare Summary Notices (eMSNs)

The eMSN is an electronic version of your Medicare Summary Notice (MSN). If you choose eMSNs, you'll get an email every month with a secure link to your MSN, instead of waiting 3 months for a paper copy in the mail.

With eMSNs, you can:

- Eliminate stacks of paper – save or print only what you need.
- Track your monthly claims and costs.
- Check your remaining deductible amount.
- Catch errors in billing and services.
- Help **prevent fraud** by ensuring you have been billed correctly.
