About Us

enlivIN delivers experienced staff and proven services that are effective, person-centered, and culturally sensitive to help individuals achieve the highest level of health possible following a medical issue.

Comprised of a network of community-based non-profit organizations, many accredited by NCQA in LTSS care management, enlivIN provides face-to-face, in-home, and telephonic support across all 92 Indiana counties, drawing upon the deep expertise of our 15 partner agencies to meet patient or member needs identified by health systems, hospitals, independent physician associations, health plans and other groups focused on population health management.
