CALL 1.800.986.3505 TO CONTACT YOUR LOCAL AAA

Indiana's Area Agencies on Aging (AAAs) help older adults and people with disabilities of any age and their caregivers navigate Indiana's long-term services and supports system.

They provide information about options for care, resources and service providers; assess service needs and develop plans of care; make referrals to care managers and link to community services; monitor consumer satisfaction and adjust services to meet changing needs.

AAA staff will help you plan how best to meet

your needs, whether that be through your own resources or those of your family, through community resources and/or through other sources of subsidy for which you may qualify.

Some subsidies are available based on age alone. Others are based on your level of disability, income and assets. Some subsidies may require a cost-share.

You should contact your AAA to determine what resources are currently available and best meet your needs.
